NAASF Foundation  
Attn: Ned Dolan  
P.O. Box 682331  
Park City, UT 84068

Dear Ned,

On behalf of the Park City Ski Education Foundation and the Park City Ski Team, I want to thank you for your generous donation of \$750 to the Park City Ski Education Foundation. No goods or services were provided as whole or partial consideration for the contribution received.

Coming off of a phenomenal season in 2004/2005, the Park City Ski Team was recognized by the US Ski Association as both the Alpine Club of the Year and the overall Program of the Year nationally. Along with the recognition, the program continues to produce "gold medal kids" and to place athletes on the US Ski Team and in top collegiate programs. We realize that such levels of achievement are not the outcome for every PCST athlete, but we provide each athlete the environment in which to reach his or her goals and potential in our sport. The outcome of this process is not only athletic success, but also unique preparation for their future endeavors. Your support makes a significant difference in our ability to continue delivering the youth of Park City this very special and rewarding life experience.

Your donation in this fiscal year is especially important with the purchase and renovation of our new facility at the resort center. Finally having a quality team headquarters will allow the Park City Ski Team to provide our staff and athletes with the one major component that we have lacked in the past.

With thanks and appreciation,

A handwritten signature in black ink that reads "Dave Galusha".
